

An artistic, painterly illustration of a woman's face in profile, looking towards the left. The face is rendered in soft, warm tones of peach and cream. Her hair is dark and voluminous. In the upper right corner, there are large, dark red roses with green leaves. In the lower right corner, there is a smaller, more delicate rose branch with green leaves and a few buds. The overall style is soft and romantic, with a focus on texture and color.
